Dear Solaristi,

Thank you Boot Düsseldorf and thank you very much Solaristi. We have had a very successful show. We are now touching base with all our visitors and our three yachts are on the way back to the shipyard. Please do get in touch should you wish for any further information.

We are very proud to come home with the European Yacht of the Year 2016 Award, for the performance/cruiser category. We are especially pleased with what the Jury's said about our SOLARIS 50.

"She is not an either/or candidate, she really fulfills perfectly both worlds. Speed is just one of her virtues and she offers plenty. In addition, she is very well balanced and responsive on the rudder. A deck, so pure, sleek, and beautiful, as you rarely see it: sexy, stylish... The execution of her interior with all the comfort, and all is just fine, yes very finely handcrafted."

During this unique event Solaristi, crews, and prospective Owners will mingle. Exchange of experiences and information happens naturally and brings business forward. The fun Solaris Cup regatta is a thrilling event, also for the less experienced sailor. Sardinia offers one of the most beautiful surroundings in the world and it is absolutely worthwhile to join us. Solaris yachts arriving on their own keel will be our guests during the stay. The Yacht Club Porto Rotondo with their beautiful infrastructure is delighted to entertain us every evening with their rich aperitifs. Porto Rotondo is very close to the airport of Olbia and Stefania will happily assist in organizing your accommodation.

We are looking forward to meeting you!

Best regards,

Your Solaris Team
