Dear Solaristi,

We wish to remind you of the Solaris Days 2016 which are fast approaching and we would like to make sure you do not miss out. It is a pleasure and honour that so many Solaris Yachts will join us in Porto Rotondo.

This spring again, the beautiful Costa Smeralda, the "Caribbean of the Mediterranean", will enchant you. In addition to our sailing program, you will be able to get to know the new yachts and in the early evenings enjoy fine Sardinian wines and specialties and the inspiring chats with other Solaristi (and future Solaristi). You can look forward to a few unforgettable days of sun, sea and breeze in the Marina and Yacht Club Porto Rotondo.

WE LOOK FORWARD TO WELCOMING YOU!

For info and registration, please contact Stefania Buono: sb@sycustom.com / +41799618260

Hull number 1 is now launched and unfolds its magic...

We are extremely pleased with the large number of autumn pre orders for production. The Solaris 50, "yacht of the year 2016" soon reached hull number 20 and also the new 47 is proving to be a very successful model. Further, we are particularly happy about the development of our latest project: the Solaris 68. In the yard, you can visit the mock-up of the number 2.
