Dear Solaristi

In addition to our beautiful Solaris Days & Solaris Cup in sunny Sardinia (31<sup>th</sup> May - 05<sup>th</sup> June 2017), we will be running a ten-day test week 22<sup>nd</sup> April until 1<sup>st</sup> May in Portopiccolo Adriatic Sea, close to the yard. We would love to invite those prospects who are considering buying a new yacht in the near future. This is a unique possibility to sail the yachts that were presented to you during the Düsseldorf show. It is also a great opportunity to take a little detour and visit the yard in Aquileia.

We recommend pre-booking:

or

We very much look forward to seeing you on-board!
