BOAT SHOWS 2017/2018

Dear Solaristi

We are pleased to present our Autumn/Winter boat show calendar! Should you have any question or need further information please feel free to contact us. Of course, you can also count on us outside the boat shows to arrange a viewing appointment and eye your favourite yacht.

The World Premiere of the Solaris 68 at Cannes is surely a highlight that you should not be missed!

We have already taken orders for the first four hulls of this brand new model. The yard has a strong order book for all other models and the development team works tirelessly to equip our yachts with the latest marine equipment. (The yard will be closed for summer holidays from August 14 to 28)

And last but not least we are proud of our IWC Solaris watch.

The Solaris Team wishes you a wonderful summer, beautiful sailing trips and always hand-span of water under the keel!
