SOLARIS 7202 CLASSIC LAUNCHED!

A development of the 7201 Classic, this new yacht has many new evolutions and being a pure semi-custom yacht, the owner had complete freedom to completely re-design the interior. With a special lightweight construction, the hull number 2 is six tons lighter and has increased performance thanks to her newly developed lifting keel. The charismatic 7202 Classic can be visited by appointment.

After Cannes we're happy to invite you to visit us at the Southampton Boat Show, from September 15 to 24, and at the Genoa Boat Show, from September 21 to 26, where you will have the chance to see at one fell swoop the Solaris 68, 58, 55, 50 and 47.

Best regards
